

2020-2021 Incoming Kindergarten Families

Please share the following information with any new families in your neighborhood:

Open House for Parents

On **Tuesday, January 28, 2020**, RHE will be hosting an informational open house for parents of incoming Kindergarteners. This is an opportunity to hear from Principal Hodges, PTSA representatives, and office staff regarding our school, Kindergarten program and registration procedure. Parents will be given an opportunity to ask questions, and then have a short tour of the school building and be able to observe a Kindergarten classroom. The open house will run from **9:30-10:20 am** and we ask, if possible, that only parents attend to help keep the noise level to a minimum. Please call the school office, 425-936-2680 to confirm your attendance. We want to make sure we have enough copies of our informational handouts.
