

News from the Library:

Curbside Pickup: RHE is excited to announce Curbside Pickup! This is where students can place physical books on hold on our RHE Library Catalog and pick them up at RHE on certain days.

We are rolling this out by grades.

We have opened this up to 4th and 5th graders initially. If all goes well, we will have 3rd graders begin to place holds and pick up books beginning November. K – 2 – we tentatively have plans to open this up to you in December.

On Curbside Day: Please make sure there are books to be picked up! Please ask your child to sign into the library account and check their account under the My Info area. If there are books listed under Items Out, then there will be books waiting to be picked up. If there are no books listed under Items Out, then there are no books waiting to be picked up.

Per LWSD rules:

- We are opened every other Wednesday (see dates below). Except November – the days will be on Tuesday because of Wednesday holidays.
- Pickup hours are from 12 to 2.
- The books will be in a recyclable plastic bag. The books need to be returned in the same bag. Books are checked out and placed in a bag 72 hours before we hand them out. Books remain in dropout 72 hours before we take them out and check them in.
